

Do you now about the closet
it started in November when we were
At recess my friends went in a
class room and opened the closet
and then the closet crept and in
the closet was a wolf. Then I closed
the closet and I ran to the office
and a teacher came and then
the bell rang on the bus we
talked about the wolf. In the morning
we went back in a class room
we open the closet and the
wolf was not there and we went
in the closet and we fell all
the way down to the basement
there was a sign that said stay
out but we couldn't get out.
So we stayed all night in the morning
the elevator was going up and
we ran on it. The wolf was loose and
the school was trash and we
were locked and the wolf saw us
broke the glass and we went out
and never went back to school.
